

Broadway Bound

Musical Theatre in partnership with Overture with the Arts

About the Class

Overture with the Arts is proud to partner with the GMAA to present “Broadway Bound”; a musical theatre after school program. Students will have the opportunity to hone their skills in acting, singing, and dancing and apply them as they perform individual and group scenes. Participants will receive hands-on training in the fundamentals of musical theatre performance. Students will learn about artistic expression and build confidence, as they rehearse and perform.

Meet your Instructor Stephanie

Stephanie’s passion for performing blossomed at a very young age. As soon as she stepped foot on stage, she knew it was the place for her. Stephanie graduated from Riverdale High School. She also graduated from the Professional Theatre Program at John Abbott College, and since then, has been keeping busy working with The Montreal Shakespeare Theatre Company, bringing Shakespeare’s incredible stories to students of all ages in several different provinces. Stephanie is excited to run the Broadway Bound program, there is nothing she loves more than sharing her love of theatre with others.

Space Required

Participants should have enough space to move around freely.
